

Fees from 1st April 2026

At Intoplay we pride ourselves on our fully transparent fee structure. For our non-funded hours, we have a set price that covers the whole time the nursery is open (10.5 hours), with no hidden extras. Some settings will advertise a cheaper daily fee however this is normally for a set number of hours not their full opening hours, should you want early drop off or later pick up time, they will charge you an additional fee. At Intoplay we do not want to disadvantage parents who need these times.

The funding you will receive is for 38 weeks of the year. Typically we receive:

14 weeks in the Autumn term – September to December

12 weeks in the Spring Term – January to April

12 weeks in the Summer Term – May to August

All places are payable for 51 weeks of the year. We do offer stretched funding. Please speak to your nursery manager for more details.

Late Fees & Unpaid accounts

A late fee of 5% plus a £20.00 admin fee will be incurred if fees are not received on time. Additional charges may apply for any returned payments. Intoplay Ltd employ a debt collection agency who will take over any unpaid accounts.

Increase to hours/days attended

Intoplay Ltd are happy to offer additional days/sessions to those initially booked subject to availability. However, your account must be paid up to date before the additional days can be taken.
